Non-Compliance

We expect all children to adhere to our school uniform policy. On rare occasions, if your child does not have the correct item of uniform, please inform the class or head teacher or the office.

If a child is wearing an incorrect item, parents will be informed and asked to provide the appropriate school uniform.

Sanctions for breeches of this policy are a last resort and the school endeavours to work with families to resolve them in a timely manner.

School Uniform Policy

At Frodsham CE Primary School we recognise that school uniform plays a valuable role in contributing to the ethos of the school. Having an identifiable uniform enables all children to feel that they belong to our school family and that they are proud to attend Frodsham CE. It helps all children to feel welcome at the school, encouraging both a positive identity and good behaviour. Our uniform reflects the high standards we strive for and above all, we believe that school uniform supports effective teaching and learning.

The DfE strongly encourages schools to have a uniform, as it can play a key role in:

- promoting the ethos of a school
- providing a sense of belonging and identity
- setting an appropriate tone for education

We expect children to dress smartly and attend school in the correct uniform. The expectation is that children must wear either items with our school logo or the school tie.

When reviewing our school uniform policy, we have ensured the cost is reasonable and secures best value for money.
